# Letter from the Executive Director

I want to welcome all of you to this very special celebration of APL.

Tonight is significant to me for so many reasons. First and foremost, we are paying tribute to our students, their families and the incredibly talented and passionate staff that make APL all that it is and promises to be in the future. We are also recognizing our Charter Donors, a special group of people that have been with APL since the beginning years. Your unwavering support has been our rock – we simply could not have grown, much less flourished, without your generous and dedicated support.

I also want to recognize the tireless work of our Board of Directors, that includes all of the Founders of our school, who dedicate countless hours and their broad range of skills to making our dreams a reality. We also have an amazing Advisory Board, consisting of so many leading figures in our local community, that helps guide and advise us at every point in our progression.

Tonight we have the pleasure of honoring Broadway Bound's Founder and Artistic Executive Director Jimmy Nixon. Not only has Jimmy become an invaluable friend and supporter of APL, he is the perfect representation of what a true community partnership can be. Jimmy has brought his extraordinary talents to bear with our students and we are seeing incredible breakthroughs with many of our kids, not to mention the simple pure joy all around.

I feel especially blessed to be part of APL's journey. To be

part of something that is being built from the ground up is a once in a lifetime experience. It takes passion, expertise, dedication and buckets of sweat to make it happen. Every day I am fortunate to come to work with people that demonstrate just that – from my partner Alison Moors, to the incredible staff, to the families that pour their heart into the school, to my favorite part – our students. I feel immensely privileged to spend time with each and every one of them and I can assure you that the whole staff celebrates all of their efforts and successes on a daily basis.

*Katrina Davis Photography*

We all know this is hard work – but it's essential work. We are unwavering about our core mission – to prove that all students, including typically developing and those across the autism spectrum, can successfully learn side by side within an academically challenging and socially vibrant environment. I see this success every day, in ways both big

*Katrina Davis Photography*

and small, and it is an energizing and very affirming thing to experience. We want to continue growing and see our model bring success to many more deserving students – but we can't do this without your help.

We want to thank all of you for joining us on this journey. We are very proud of what we've achieved to date, but there is much more to do. On behalf of all of us at APL, we thank you for your continued support.

Thank You,  
Jennifer Annable  
Executive Director

## Letter from the APL Board President

On behalf of the Board of Directors, welcome to APL's 5th Annual Fundraising Auction and Dinner -- "Soaring to New Heights." We are honored to have your attendance and support as APL continues its important mission of proving that children on the autism spectrum can successfully learn alongside their typical peers in a challenging and socially vibrant classroom.

As the theme of tonight suggests, over the past year APL has been "Soaring to New Heights." In both quantifiable and qualitative measures the school has simply flourished under the exceptional leadership of Executive Director Jennifer Annable and Founder Alison Moors. Today, in just five short years APL has over 60 students in 4 classrooms being taught by an incredibly talented and dedicated staff of educators. Since the 2009-2010 school year, APL has quadrupled in size. And APL recently announced the opening of a 9th grade, extending the school's curriculum and learning opportunities to additional students. In sum, APL has created an exceptionally strong and positive learning environment. Each day, energy and enthusiasm fills the halls and it is simply inspiring to watch the interactions throughout the school.

Tonight APL will honor and recognize a true local hero: Mr. Jimmy Nixon. Jimmy is the Founder and Executive Director of Broadway Bound. Over the past two years Jimmy and Broadway Bound have engaged in a community partnership with APL and provided the students with a unique opportunity to learn and thrive in the performing arts. By his goodwill in providing his time and talent APL will showcase two theatrical productions this year - 'Beauty & the Beast' and 'You're a Good Man Charlie Brown' - involving ALL of the students.

APL's Charter Donors will also be recognized tonight for their steadfast dedication to the school. The Charter Donors have supported APL since its inception and have been a vital and dynamic part of its success and outreach. The school is deeply indebted to the Charter Donors for their past and continued service. As APL continues, their collective leadership and support will play an important role in the school's continued success.

Tonight was made possible by the tireless efforts of many APL families and staff including our Development Director Andrea Sanders and Auction Committee Coordinator and fellow Board Member Samia Mohazzabfar. Thank you for your tremendous efforts in making this event extraordinary.

I sincerely hope that all of you enjoy the evening. As APL continues to implement its core mission and attempts to expand educational opportunities to additional children we need your continued support. Thank you for your attendance, enthusiasm and generosity in supporting this most important endeavor.

Sincerely,  
Jennifer McCann Vertetis  
President, Board of Directors  
Academy For Precision Learning

## Honoring Jimmy Nixon & Broadway Bound

Tonight APL is honoring an outstanding community partner – Broadway Bound’s Founder and Artistic Executive Director Jimmy Nixon.

Jimmy has brought his range of expertise and extraordinary talents to bear with all of our APL students. He has demonstrated time and time again that any child, regardless of ability level, can experience the magic of musical theater.

*Grease*

Through APL’s partnership with Broadway Bound, the students not only get weekly music and drama classes -- they now produce annual productions that involve every student across our K-8 population. Last year, the APL

theater troupe put on a terrific production of the “Lion King” and “Grease” that wowed the crowd. This year, we look forward to renditions of “Beauty & the Beast” and “You’re a Good Man Charlie Brown” that are destined to be sure fire hits.

One of APL’s core tenets is that we believe every student

*Grease*

deserves access to a broad set of enrichment opportunities, but this would not be possible without the tireless and dedicated support of partners like Jimmy Nixon. What began as an experiment to introduce our students to the performing arts has grown into an incredibly special opportunity to see every single performer blossom in the limelight.

On behalf of the Board, Staff, Families and Students at APL we thank you Jimmy for truly enriching all of our lives.

# RULES OF THE AUCTION

**Registration:** At check-in, you will receive a packet with your bid number. Keep your number with you! By bidding in the Live or Silent Auction each bidder agrees to these Auction rules.

**Silent Auction:** All items in the Silent Auction have a corresponding bid form. To bid on an item, write your bid number on the bid sheet next to the preprinted amount of your choice. All Silent Auction items will have a “Guaranteed Purchase” bid. By signing your bid number in this box, the bidding on this item closes and the item is now yours. Once you write your bid number on the bid sheet, do not cross your number out. As each Silent auction area closes, an Auction representative will circle the winning number on the bid sheet.

**Live Auction:** Once the Live Auction begins, it will continue without intermission until all items have been auctioned. To enter a bid, the bidder signals either the auctioneer or one of the spotters. Use only the bid number assigned to you. The auctioneer will determine who the Successful bidder is. Please hold your bid card so that the number can be easily seen. The auctioneer acknowledges winners of Live Auction bids and the purchaser will sign a bid sheet, which will be brought to the table. This signature will constitute a legal contract to buy. In the event of any disputes between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to re-offer the item in dispute. The value set forth for items being auctioned are donors’ estimates and are not warranted by the Auction for general value. All sales are final. There will be no exchanges or refunds except where noted.

**Payment:** A signature constitutes a legal contract to buy. All sales are final and there will be no exchanges or refunds unless otherwise specified. All items must be paid for by evening’s end unless you are using the Express Checkout system. We accept checks, MasterCard, and Visa. For items that are jointly purchased by two or more parties, the signer is the designated payee. Please make your own arrangements for reimbursement by your co-purchasers.

**Express Checkout:** Participants who wish to speed up their checkout at the end of the evening may request Express Checkout when you receive your package at the beginning of the evening. Participants will be asked

to leave a signed blank check or credit card slip.

**Time Limit:** Unless otherwise stated, use of condominiums, houses, dinners, cabins, tickets, services, etc., is to take place within one year following the auction, at a time mutually agreeable to both the winner and the donor.

**Warranties:** The APL Auction committee has attempted to catalog to describe the items and property correctly, but all items and property are sold “as is.” APL neither warrants nor represents, nor shall in no event be responsible for the correctness of description, genuineness, authorship, provenance or condition of property. APL reserves the right to withdraw any item for sale prior to the call for bids and/or prior to payment completion and reserves the right to adjust the donor’s estimate of retail value.

**Removal:** At the end of the Auction, proceed to Check Out to pick up your merchandise.

**Liability:** Each person issued a bid number assumes all risks and hazards related to the auction. Each bidder agrees to hold APL, its elected and appointed member and employees, the auctioneer, the organization, sponsors, and/or volunteers connected with the Auction harmless from any liability arising therein.

**Note:** All purchases are tax deductible as provided by law. Please consult a tax advisor regarding tax law and items purchased at the APL Auction. APL does not explicitly or implicitly endorse any of the products for sale at this event.
