APL introduces our inaugural **Extended School Year Summer Learning Program!** APL teachers, BCBAs, and BTs will provide five weeks of summer academic enrichment, ABA therapy, and social, experiential learning opportunities. We will offer three age-grouped cohorts.

This small, summer learning program is great for:

- Students prepping for a transition into Kindergarten, Middle School, and High School
- Students who benefit from continuous learning over the summer
- Students who thrive in routines in their relationships with our staff
- Social skill building and practice accessing resources and participating in the community

The details:

Dates: **July 6 – Aug 6** (5 weeks) – no programming on Fridays

Hours and Location: **8:30 am - 3:00 pm** at Academy for Precision Learning (5031 University Way NE, Seattle)

Morning Programming—Individual ABA Therapy, reading and math skill-building classes, budgeting and consumer-math, Art, sensory activities, music

Afternoon Programming – Community outings and field trips, individual programming, social skill building, life skills, social groups, etc.

Cost: **Base tuition \$600 per week**; Supplemental services for ABA therapy varies by support level and will be determined on an individual basis.
