

Board Certified Behavior Analyst (BCBA)

Reports To: the Executive Director, Clinic Services Manager and Clinic Operations Manager

Part-Time and Full-Time Availability

We are currently seeking a Board Certified Behavior Analyst and, as an Academy for Precision Learning employee, you have the unique chance to help change the lives of our students with Autism, our families, and the community center that we are striving to grow in. All employees have access to our wonderful benefits, diverse and inclusive work environment, and a great place to learn as a professional.

Requirements:

Provide behavioral analysis services for students with autism and related disorders. Students receive direct therapy within their blended classroom setting (the school serves typically developing students as well as students with autism). The BCBA will be supervised by the Executive Director, Clinic Services Manager and Clinic Operations Manager. Duties will include:

- Creating, monitoring, and updating instructional programs across academic, social, and communication domains. Creating, implementing, and monitoring behavior plans
- Providing staff training to paraprofessionals on implementing instructional programs and behavior plans. *Working with the classroom headteacher and assistant teacher to provide technical assistance to the classroom team* Precision teaching background a bonus but not required.
- Applicants well-suited to this position will be highly organized, self-motivated, flexible, positive, and work well in teams.

Great Benefits!

- Set Schedule, No Weekends! Great Work-Life Balance!
- Health, Dental, Vision, 401k, Life Insurance and an Employee Assistance Program
- 100 % Covered ORCA Transit Card
- Great Community Environment and Location in the U-District of Seattle

Position open until filled. **(To Apply: Please send a resume, cover letter and a list of three professional references to jobs@aplschool.org. Please type the job title into the subject line of your e-mail.**

The Academy for Precision Learning is an independent K-12 school that educates typically-developing students and those across the autism spectrum in an academically challenging and socially vibrant community. The APL model utilizes customized curriculum and innovative instructional methods to provide meaningful access and tangible progress for every student. Our goal is for every APL student to become a curious and engaged life-long learner who celebrates diversity, practices self-advocacy, and generates impact in their community.
